HOTEL AND GARDENS

MEETINGS & EVENTS

About Us

At the 4-star **Dunadry Hotel And Gardens** we are one of Northern Ireland's leading conference and meeting venues.

Boasting state-of-the-art facilities and an exemplary and highly dedicated Event Team who will ensure that your event runs smoothly and professionally.

Built on the site of an ancient fort, and once home to the High Kings of Ireland, the hotel offers more than just conference and meeting facilities: the venue and grounds are steeped in a rich history and in parallel also boast state-of-the-art facilities to meet your every business and guest need. A building that's both eclectic and iconic in equal measures.

From the Grand Ballroom to the River Room, to our smaller conference rooms overlooking our stunning gardens, we boast modern, contemporary event space at competitive pricing.

And with acres of grounds to enjoy, it's not just the inside event space that's impressive.

Guests can enjoy a stroll through the never-ending gardens while listening to the gentle spill of the Six Mile River, which runs alongside. Or sit and reflect beneath the 'Peace Tree' which was photographed and used as the symbol of peace during the historic Good Friday Agreement in 1998.

It's the extraordinary past of Dunadry Hotel And Gardens, coupled with its newly fashioned present-day design that makes the hotel a rare find indeed...
